EVERY DAY YOU ARE JUDGED BY THE APPEARANCE OF YOUR GROUNDS

BEAUTIFUL GROUNDS REALLY COST YOU NOTHING

Each TREE, SHRUB, VINE and FLOWER adds far more to the real actual cash value of your property than it costs.

We can supply everything in Nursery stock, but we list here just a few of the larger plants we have in stock. We have photographs of most of them.

NOTE:—It costs no more to move a good specimen in Shade and Ornamental Trees than it costs to move poor unsightly trees. We have spent considerable time in securing quite a number of nice specimens in Pin Oaks, Maples, Ash, Elm, Dogwood, Birches, Holly Trees, etc., and will be glad to show you photographs of them. We also have photographs of most of our Boxwoods and will be pleased to call at your home and show them to you.

*We will assist you with the arrangement free of charge.*
